To be involved in ministry takes a call from God and formation of our Spirituality. We need our gifts to be nourished and to be inspired with the Holy Spirit. Here at St. John's we like to use all ages in ministry. We will be having training in the fall and in the winter. This is how our faith is passed on to one another from young to old. If any parent or older family member would also like to sign up for ministry here at St. John's, please let us know at the end of the form. We will contact you. Please return this to the Parish Center so that it can get to our Music & Liturgy Director, Rose Yagiela.

Please check and fill in the appropriate spaces for the ministry your child has an interest.
